**3. Disclosure of Pecuniary Interest and the General Nature Thereof**

There was no disclosure of pecuniary interest for this Ignace Community Nuclear Liaison Committee Meeting.

**4. New Business**

**a. Meeting and Christmas Dinner**

Administrator Treasurer, Wayne Hanchard explained to the Committee and Council members that any project discussions must be dealt with at the meeting and that no discussion can take place during the dinner as per the Municipal Act, 2010.

**b. Community Recognition**

NWMO Member, Jo-Ann Facella presented the ICNLC and the Township of Ignace with a plaque of Appreciation of Outstanding Leadership to Mayor Lee Kennard.

**c. Step 3 Phase 3 Reflections**

There was a discussion of the Phase 1 assessment completions, the movement into Phase 2 and handouts were provided.

A large document was presented to members and Council that is an in depth print version of the preliminary assessment for siting a deep geological repository for Canada's used nuclear fuel pertaining to Ignace. A complete set of documents that were used in the siting process have been left for everyone to observe at the ICNLC Office and at the Township Office. Ann Aikens requested that members and Council take time to review the documents that were provided. She requested that the Committee change their regular meeting of January to coincide with the Council meeting that the NWMO is planning to deliver a presentation. The date is changed to Thursday January 9, 2014 at 7:00 pm.

Jo-Ann Facella pointed out that there is still a long road towards the siting process completion and that there are still another 12 communities that are currently in Phase 1 and will be until late 2014 perhaps early 2015.

Committee member Greg Gothard pointed out that the interaction surrounding the transportation exhibit worked very well as it was coincided with a community event and requested that this idea be considered again in the future.

Ann Aikens provided members with a jump drive that carried the entire ICGR Symposium.
